## Ahern's Champion Surface Point!

The common old fashioned Surface Point has been eclipsed. A new method has been used in making Surface Points and Bullsets, note the result. During the last eight months we have made and sold over 3 tons of our Champion Surface Points and Bullsets, and out of the 3 tons only seven tools have jumped off the shank. Beat that record if you can. We have shipped them all over the United States, and orders for more have come back from nearly every place we sent them. We temper them by a secret process which prevents the steel from crystallizing and breaking. Poor tools are high at any price. Where you pay \$1.25 for the old style Surface Point and then run a risk on its breaking the first day you use it, you are gambling with your money. On the other hand pay \$1.75 for Ahern's Champion Surface Point and you are insuring yourself against loss. The largest granite manufacturers in Barre use our Surface Points and find them exactly what we represent them to be, the best tools of the kind on the market. Made only by

JAMES AHERN,

Barre, Vermont

Those present were W. J. Van Patton and C. L. Alexander of Burlington, Dr. H. D. Holton of Brattleboro, Col. Charles S. Forbes and W. H. Crockett.

It was decided that if Secretary Taft could be here both during the day and evening that an afternoon meeting of the Red Cross would be held at The Strong theatre and that a banquet would be served at the Van Ness house in the evening under the auspices of the Sons of the American Revolution.

## Milan's Markets.

The markets of Milan have been famed all over Italy for many centuries. Melancholy.

The old time herbalists did not regard melancholy as an affection of the temperament, but as an illness or disease, and many were the "secrets" they purported to cure it with. The favorite remedy was a sirup made of borage and tansy, which took away all grief and gave the sufferer a light heart and a happy mind.

Watches.

Watches occasionally get "tired" and begin to keep erratic time. A rest of a few days will often cure this.
